Hi Adam,

I've attached the Violations Report that we will be sending if we ever send the Quarterly Report this quarter. Generally, the Rule Manager (Ricardi) would create that comments for the Actions Required field in the report but he asked me to let you submit the comment that should be included because of the Enforcement Action you have taken. I can enter your comment in the report. Generally, the field lets the system know what they need to do to return to compliance, or what you expect them to do going forward. Send me your comments for the two violations without comments and I'll ensure they appear in the report. Thank you.

Jane
